The Continuing Story Of Bungalow Bill

JOHN LENNON and
PAUL McCARTNEY

CHORDS USED IN THIS SONG:
Moderately Fast

1. Hey, Bungalow Bill, what did you kill, Bungalow Bill?
Hey, Bungalow Bill, what did you kill, Bungalow Bill?
He went out tiger hunting with his elephant and gun, In case of accidents he
Always took his mom. He's the All American bullet headed Saxon mother's son.
All the children sing: Hey, Bungalow Bill, what did you kill, Bungalow Bill?
Hey, Bungalow Bill, what did you kill, Bungalow Bill?

2. Hey, Bungalow Bill, what did you kill, Bungalow Bill? Hey, Bungalow Bill,
What did you kill, Bungalow Bill? Deep in the jungle where the mighty tiger lies,
Bill and his elephants were taken by surprise. So Captain Marvel zapped him
Right between the eyes. All the children sing: Hey, Bungalow Bill, what did you kill,
Bungalow Bill? Hey, Bungalow Bill, what did you kill, Bungalow Bill?

3. Hey, Bungalow Bill, what did you kill, Bungalow Bill? Hey, Bungalow Bill,
What did you kill, Bungalow Bill? The children asked him if to kill was not a sin,
"Not when he looked so fierce", his mother butted in. If looks could kill
It would have been us instead of him. All the children sing: Hey, Bungalow Bill,
What did you kill, Bungalow Bill? Hey, Bungalow Bill, what did you kill, Bungalow Bill?

I read the news today, oh boy about a lucky man who made the grade. And though the news was
rather sad, Well, I just had to laugh. I saw the photograph. He blew his mind out in a
car. He didn't notice that the lights had changed. A crowd of people stood and stared,
They'd seen his face before. Nobody was really sure if he was from the House of Lords. I saw a
film today, oh boy. The English army had just won the war. A crowd of people turned away,
But I just had to look. Having read the book, I'd love to turn you on. I heard the news
today, oh boy. Four thousand holes in Blackburn Lancashire. And though the holes were rather
small, They had to count them all. Now they know how many holes it takes to fill the
Albert Hall. I'd love to turn you on.

CHORDS USED IN THIS SONG:

But ev'ry now and then I feel so insecure, I know that I just need you like I've never done before.
Help me if you can. I'm feeling down and I do appreciate you being 'round.
Help me get my feet back on the ground. Won't you please, please, help me?

3. When I was younger, so much younger than today, I never needed anybody's help in any way.
But now these days are gone, I'm not so self assured. Now I find I've changed my mind,

There are places I'll remember All my life, though some have changed, Some forever, not for
better, Some have gone and some remain. All these places had their moments With lovers and
friends I still can recall. Some are dead and some are living. In my life I've loved them all.
But of all these friends and lovers, There is no one compares with you, And these mem'ries
lose their meaning When I think of love as something new. Though I know I'll never lose affection
For people and things that went before, I know I'll often stop and think about them, In my life I
love you more. Though I know I'll never lose affection For people and things that went
I know I'll often stop and think about them, In my life I'll love you more. In my

CHORDS USED IN THIS SONG:
CHORUS:

What goes on in your heart, What goes on in your mind? You are tear - ing me apart
when you treat me so unkind, What goes on in your mind?

It's so easy for a girl like you to lie, tell me why. *(Repeat Chorus)*

VERSE 2.

I met you in the morning waiting for the tides of time, But now the tide is turning, I can see that I was blind.
It's so easy for a girl like you to lie, tell me why. *(Repeat Chorus)*

I used to think of no one else but you were just the same, you didn't even think of me as someone with a name.
Did you mean to break my heart and watch me die, tell me why. *(Repeat Chorus)*

Within You Without You

CHORDS USED IN THIS SONG:

GEORGE HARRISON
We were talking about the space between us all and the people who hide themselves
behind a wall of illusion, never glimpse the truth, then it's far too late when they pass away.
We were talking about the love we all could share. When we find it to try our best
to hold it there with our love, with our love we could save the world. Try to realize it's all with-
in yourself, no one else can make you change. And to see you're really only very small and life flows on
within you and without you. We were talking about the love that's gone so cold and the people
who gain the world and lose their soul They don't know, they can't see. Are you one of them?
Try to realize it's all within yourself, no one else can make you change. And to see you're really
only very small and life flows on within you and without you.
